Massachusetts HIRD Reporting Due December 15

As a reminder, Massachusetts employers must file the annual Health Insurance Responsibility Disclosure (HIRD) form through the MassTaxConnect (MTC) web portal (https://mtc.dor.state.ma.us/mtc/_/). The HIRD reporting will be available to be filed starting November 15th and must be completed by December 15th. Please note, this is a change from the previously announced November 30th deadline.

The HIRD form collects employer-level information about employer-sponsored health insurance (ESI) offerings. The HIRD form assists MassHealth in identifying members with access to qualifying ESI who may be eligible for the MassHealth Premium Assistance Program.

Massachusetts law requires every employer with six or more employees in Massachusetts to annually submit a HIRD form. If you are an employer who currently has (or had) six or more employees in any month during the past 12 months preceding the due date of this form (December 15 of the reporting year), you are required to complete the HIRD form. An individual is considered to be your employee if you as the employer included such individual in your quarterly wage report to the Department of Unemployment Assistance (DUA) during the past 12 months. You are required to complete the HIRD form if you reported six or more employees (includes all employment categories) in any DUA wage report during the past 12 months.
